

## Supporting Polish Community through GiveBIG Campaign

The Seattle Polish Foundation (SPF, formerly Polish Home Foundation) has been participating in the GiveBIG campaign for several years as one way of supporting different Polish causes in the Pacific NW. In 2018, there is no matching for the GiveBIG donations, but each donation has a chance to win a Golden Ticket of \$1,000.

Below there are examples of local Polish events and causes worth supporting through this campaign.

*(The Polish News suggests supporting the Polish Home 100th Anniversary projects this year.)*

- On the Seattle Polish Foundation page fill in the form
- Add a comment what you want to support – otherwise the donation goes to the Generic Fund

To avoid processing fees, you can always send a check written to SPF to Seattle Polish Foundation, 1714 18th Ave, Seattle, WA 98122. Add a note on what you want to support.

Your financial support is essential for sustaining a vibrant Polish community and bringing programs and events that all of us care about. Please support Polish community in the Pacific Northwest through a donation to SPF!
